

2010 AUTISM PLEDGE SPONSORS

We are proud to announce over the last 3 years we have raised over \$20,000 for the Autism Society of Greater Cincinnati. Thank you for all your help! We couldn't have done it without the tremendous contributions from friends and family.

Last year was our third attempt to bring awareness and raise money for Autism by participating in the Cincinnati Flying Pig Half Marathon. This year we want to continue to spread our message of awareness and raise even more money, as well as help those families who are affected by autism spectrum disorders.

In 2009, we received an overwhelming number of donations and Flying Pig participants. We hope you will answer the challenge again this year. It's time for us to get to work. We hope that you'll join us!

Runner/Walker/Helper Name: _____ Phone # _____ E-Mail: _____ Address: _____

Your donation is fully tax-deductible and can be made in lump sum or as a per-mile amount. The half marathon runners and walkers are going 13.2 miles, so a \$1/mile donation would be \$13, a \$2/mile donation would be \$26, and so on.
